

AUSLAN INTERPRETING SERVICES

Patrons can request which event they would like to be Auslan Interpreted, that are part of the Festival-produced program of Ideas events.

Steps for making a request:

1. Choose an event or events you would like to attend
2. Complete this Request Form
3. The Festival will contact you to confirm and process payment for your tickets

There is no additional charge for interpreting requests, however once the requested event date and time is confirmed, ticket payment must be finalised to ensure booking.

The deadline for requests is **Monday 11 February 2019**. This is to allow enough time for liaison with the event producers and service providers to ensure the best possible service can be delivered.

The Festival notes that events on the program that are produced by independent organisations (ie. not Festival-produced) may not be able to provide the services due to circumstances outside of the Festival's control. The Festival will pass requests on to these organisers and advise of their capacity to provide accessibility services (of any kind requested). In the instance that these events are not able to provide the requested services, another event may be suggested.
